VISION AND INNOVATION **SUPPORTING MARKET GROWTH** **IN ROMANIA**

We consider the Romanian market trends as being similar to the ones experienced 15 years ago in Western Europe.

The winning idea of enhancing a downtown located network of shopping centers drives our management's vision.

The global crisis speeded up the evolution of the Romanian retail market, by accelerating its modernisation.

VIZIUNE ȘI INOVATIE **SPRIJININD CREȘTEREA PIETEI** **ÎN ROMÂNIA**

Considerăm că tendințele pieței românești sunt similare cu cele de acum 15 ani din Europa de Vest.

Ideea câștigătoare de consolidare a unei rețele de centre comerciale în centrul orașelor a determinat vizionarea managementului nostru.

Criza economică globală a grăbit evoluția pieței de retail din România prin accelerarea modernizării sale.

**OUR CONSOLIDATED CATCHMENT AREA:
FOR LESS RISKS AND MORE OPPORTUNITIES,
KEEPING YOUR INVESTMENT IS SAFE**

STEADY POSITIONING

The competition of the new malls - which opened in the periphery of the cities - is limited by the shopping habits and by the perception that they are over the consumption power of the wider population share.

BALANCED OFFER

The recent insertion of supermarket offer in most of the assets has enhanced the daily essential products purchase. New international fashion anchors are going to be brought in.

**UN CATCHMENT AREA CONSOLIDAT:
MAI PUȚINE RISURI ȘI MAI MULTE
OPORTUNITĂȚI DE INVESTIRE ÎN SIGURANȚĂ**

POZIȚIONARE STABILĂ

Concurența noilor centre comerciale, deschise la periferia orașelor, este limitată de obiceiurile de cumpărături și de percepția că sunt peste puterea de consum a majorității populației.

OFERTĂ ECHILIBRATĂ

Recenta introducere a supermarketurilor în majoritatea centrelor noastre comerciale a sporit achiziția zilnică a produselor de bază. Urmează să introducem noi magazine de modă internaționale.

THE IGD GROUP

Grupul Igd

Long term vision: this is key to how IGD develops, manages and enhances its properties; with this imprinting IGD builds and cultivates relationships with the more than 1,300 retailers present in its shopping centers. The results indicate that this business philosophy works.

SOLID ROOTS AND A STRONG INDUSTRIAL CULTURE CAPABLE OF TRANSFORMING AMBITIONS INTO REALITY

A real estate portfolio of over €2.2 billion, €1.8 billion of which in Italy: today IGD is Italy's one of the most important retail real estate player, with revenues generated primarily by the rental business.

IGD's portfolio is very segmented and diversified in terms of geographic distribution, in order to more effectively meet the unique retail needs of the local Italian population. Even the locations near mid-size urban centers, typical of IGD's shopping centers, represent the answer to a special type of demand. The presence of a food anchor next to the mall is another distinguishing factor: in this way IGD is able to maintain customer loyalty and generate foot traffic all week long.

Since 2008 IGD has also been present in Romania, where it controls Winmarkt, the country's largest department store chain found in the historic heart of 13 cities.

In 2016, there were 75 million visitors at IGD's Italian centers and more than 31 million in Romania.

Viziunea pe termen lung: acest lucru este esențial pentru modul în care IGD se dezvoltă, gestionează și consolidează proprietățile sale; cu această mentalitate IGD construiește și dezvoltă relații cu mai mult de 1.300 de retaileri prezenți în centrele sale comerciale. Rezultatele arată că această filozofie de afaceri funcționează.

ORIGINI SOLIDE ȘI O CULTURĂ INDUSTRIALĂ PUTERNICĂ CAPABILĂ SĂ TRANSFORME AMBIȚIILE ÎN REALITATE

Un portofoliu imobiliar de aproape 2,2 miliarde €, din care 1,8 miliarde € doar în Italia, astăzi IGD este unul dintre cei mai importanți jucători din piața de real estate din Italia, cu venituri generate în primul rând din închirierile comerciale.

Portofoliul IGD este foarte diversificat și divizat în ceea ce privește distribuția geografică, cu scopul de a satisface în mod eficient nevoile unice, în materie de retail, ale consumatorilor italieni. Chiar și locațiile centrelor urbane de dimensiuni medii, tipice centrelor comerciale IGD, reprezintă răspunsul la un formă specială de cerere. Prezența unei ancore de tip food, în imediata vecinătate a galeriei comerciale, este un alt factor distinctiv. În acest mod IGD este capabil să mențină loialitatea clientilor și să genereze trafic pe tot parcursul săptămânii.

Începând cu anul 2008, IGD este prezent și în România, unde deține Winmarkt, cea mai extinsă rețea de centre comerciale din țară, situate în centrul istoric din 13 orașe.

În 2016, au fost 75 de milioane de vizitatori în centrele italiene IGD și mai mult de 31 de milioane în România.
